RE: South Park Business Improvement District: Agreement To Pay Potential Penalty

Dear Mr. Scott:

Thank you for all your assistance with the re-formation of the South Park BID, beginning in 2008.

As we have discussed, this letter is to confirm that the South Park Business Improvement District (SPBID) will pay a potential penalty of \$8,788.00 (\$13.00 a parcel, times 676 parcels to remove them from the County's tax rolls) cost if the Prop 218 election to establish the South Park Alpha BID is unsuccessful.

We are continuing to encourage the SPBID property owners to return their ballots to your office and are confident that the new South Park Community and Business Improvement District will be approved.

As we move closer to our final hearing date, please let me know as soon as possible if we are missing any items you need to complete this renewal process.

Thank you again.

Sincerely,

  
Michael Pfeiffer  
Executive Director
